IN THE COURT OF COMMON PLEAS
FRANKLIN COUNTY, OHIO

Mary Taylor, Ohio Superintendent of Insurance, in her Capacity as Liquidator of Credit General Insurance Company and Credit General Indemnity Company,	:	
Plaintiff,	:	Case No. 00 CVH 11-9867
v.	:	Judge Mark Serrott
Credit General Insurance Company, et al.,	:	
Defendants.	:	

MOTION AND APPLICATION FOR ORDER (1) APPROVING LIQUIDATOR'S FINAL REPORT OF CLAIMS, FINAL RESERVE AND PAYMENT OF ADMINISTRATIVE EXPENSES, AND AUTHORIZING FINAL DISTRIBUTION OF THE ASSETS OF CREDIT GENERAL INSURANCE COMPANY; AND (2) REQUIRING THE FILING OF THE UNREDACTED REPORTS OF CLAIMS UNDER SEAL

Plaintiff, Mary Taylor, Ohio Superintendent of Insurance, in her capacity as Liquidator (the "Liquidator") of Credit General Insurance Company ("CGIC"), requests this Court, pursuant to R.C. §§ 3903.42, 3903.43 and 3903.44 and related sections, for an Order:

1. Approving the Liquidator's Final Report of Claims, including the determinations of the amounts and the classes of each claim, and authorizing the Liquidator to make a 100% final distribution of the remaining assets of CGIC to claimants in Class 1 (as defined in R.C. § 3903.42(A)) on their allowed administrative expense claims pursuant to Exhibit A, which is attached and incorporated by reference, and to make a final pro-rata distribution of the remaining assets of CGIC to claimants in Class 2 (as defined in R.C. § 3903.42(B)) on their allowed policyholder level claims pursuant to Exhibit B, which is attached and incorporated.

2. Approving the Liquidator's Final Report of Claims in Classes 3 through 9 (as defined in R.C. § 3903.42(C) through (I)), including the determinations of the classes of each claim, pursuant to Exhibit C, which is attached and incorporated by reference. The Report at Exhibit C shows that the reported claims will not be paid at any percentage because CGIC's assets are insufficient to make any distribution to claimants in any Class below Class 2.
3. Approving the Liquidator's Final Reserve for payment of Class 1 administrative expenses (as defined in R.C. § 3903.42(A)) incurred or paid on or after September 4, 2014, pursuant to Exhibit D, which is attached and incorporated by reference.
4. Requiring that the unredacted Reports of Claims at Exhibits B and C be filed with the Franklin County Clerk of Court under seal due to the confidential nature of the claimant information contained in the Reports.

The reasons in support of this Motion are set forth in the accompanying Memorandum in Support.

Respectfully submitted,

MIKE DEWINE
Attorney General State of Ohio

By Special Counsel:

/s/ Valoria C. Hoover

Attorney for Mary Taylor, in her capacity as Liquidator of Credit General Insurance Company

MEMORANDUM IN SUPPORT

I. Background

Credit General Insurance Company is an Ohio domiciled property and casualty insurance company originally incorporated in October 1963. The company operated under various corporate names until the present corporate name Credit General Insurance Company ("CGIC") was adopted in January 1977. In January 1991, CGIC was acquired by The Phoenix Insurance Group and was relocated to Columbus, Ohio. In March 1992, CGIC was moved to the Cleveland, Ohio area. Prior to its liquidation, CGIC was licensed to write and wrote property and casualty insurance in forty-eight states, including Ohio, and the District of Columbia. At the time of its liquidation, CGIC had one subsidiary, Credit General Indemnity Company ("Indemnity").

On November 6, 2000, the Ohio Superintendent of Insurance ("Superintendent") filed a complaint for rehabilitation against CGIC and Indemnity as the wholly-owned subsidiary of CGIC with this Court. On the same day, this Court entered an Order appointing the Superintendent as Rehabilitator of CGIC and subsidiary Indemnity (the "Rehabilitation Order"). Thereafter, on November 12, 2000, this Court ordered Indemnity joined as a co-defendant in the Rehabilitation action, Case No. 00CVH 11-9867.

With the consent of the sole stockholder of the insurance holding company controlling CGIC, on January 5, 2001, this Court entered a Liquidation Order with a finding of insolvency against CGIC and appointed the Superintendent as its Liquidator pursuant to Ohio Revised Code Chapter 3903. Previously, on December 12, 2000, this Court entered a Liquidation Order with a finding of insolvency against Indemnity and appointed the Superintendent as its Liquidator pursuant to Ohio Revised Code Chapter 3903. Since January 2001, the CGIC and Indemnity

liquidations have been managed under this same Case Number to conserve estate assets. However, the two companies were never substantively consolidated and they remained separate corporate entities, with separate Federal Tax Identification Numbers and separate policyholders, claimants and creditors. Indemnity made its final distribution of assets in November 2013. This Court ordered the Indemnity liquidation proceeding closed and the Indemnity corporate entity dissolved pursuant to R.C. § 3903.20 on December 10, 2013.

All of CGIC's insurance policies and bonds were ordered cancelled no later than 12:01 a.m. on February 4, 2001, except those policies that expired or were cancelled by the insured before February 4, 2001.

II. Notice of CGIC's Liquidation, the Proof of Claim Bar Date and the Absolute Final Bar Date

Following CGIC's liquidation, the Liquidator issued notices of liquidation pursuant to R.C. § 3903.22 and the Liquidation Order that notified all potential claimants in the CGIC liquidation that January 31, 2002 was the deadline for filing timely proofs of claims against CGIC (the "Bar Date"). As in all cases, claims filed after the Bar Date are classed as late-filed (Class 7) claims. Subsequent to the mailing of the notices, the Liquidator mailed proof of claim forms to 183,491 potential claimants where address information was available. Approximately 15,942 claimants filed proof of claims in the CGIC liquidation with the Liquidator.

In 2008, this Court established an Absolute Final Bar Date of March 31, 2009. An Absolute Final Bar Date is, by its terms, not a modification or extension of the Bar Date. Rather, the Absolute Final Bar Date is a new date that represents the date after which the Liquidator will not receive any new proofs of claims (including late-filed claims) or allow claimants to substantiate previously unspecified or "blanket" proofs of claims. The establishment of the Absolute Final Bar Date is one of the tools available to the Liquidator for determining the

classification, validity and value of the totality of the proofs of claims and the estate's overall claims liability in relation to assets so that distributions to creditors can be made and the estate closed.

In this regard, R.C. § 3903.42 governs the priority of the distribution of claims from an insurer's estate. Under the statute,

> The priority of distribution of claims from the insurer's estate shall be in accordance with the order in which each class of claims is set forth in this section. Every claim in each class shall be paid in full or adequate funds retained for such payment before the members of the next class receive any payment.

R.C. § 3903.42 establishes nine (9) classes of claims that must be paid in priority order. Within a class, all claims are paid equal pro-rata shares if there are insufficient assets to pay the class in full. The classes are fully defined in R.C. § 3903.42, but to highlight some examples, the first priority is payment of the administrative expenses of the estate, followed by the payment of claims arising under the policies or contracts of insurance written by the company (including claims paid by the insurance guaranty associations as described more fully below). The third priority is claims of the federal government. The last priority is payment to the owners of the company.

III. Conclusion of Asset Recovery

The Liquidator has filed Reports on Status of Liquidation on June 24, 2011, May 7, 2012, June 6, 2013 and January 31, 2014, in order to inform the Court and claimants in the CGIC liquidation of the status of the liquidation, asset recoveries, and the Liquidator's progress on her closing plan. This Motion confirms that the Liquidator has concluded all CGIC asset recovery and all claims adjudication, and is prepared to proceed with the final distribution of CGIC's assets and thereafter close the CGIC liquidation estate.

During the course of this liquidation proceeding, the Liquidator reviewed the books and records of CGIC and identified, investigated and collected, where reasonable, all known assets of CGIC. Additionally, pursuant to R.C. § 3903.21 (A)(12) and (13), the Liquidator prosecuted claims against third parties, including but not limited to CGIC's auditors, agents and reinsurers on behalf of CGIC's creditors and policyholders. All collections and recoveries are as reported in the Liquidator's periodic accountings filed with this Court.

IV. Claims

The Liquidator has resolved all outstanding claims in the CGIC liquidation. The CGIC estate has $351,251,303.22 in total Class 2 claims (as defined in R.C. § 3903.42(B)) liabilities. This Class 2 claims liability is made up primarily of the claims of the insurance guaranty associations ("IGAs") that became statutorily obligated upon CGIC's liquidation to administer, process and pay CGIC's covered Class 2 (policyholder level) claims.[1]

Because IGAs pay covered policyholder claims long before resolution of the ultimate financial condition of the liquidating insurer's estate, IGAs are granted both Class 1 and Class 2 priority claim status in the liquidation estate. Class 1 administrative expense claims include the IGAs' reasonable expenses in handling claims. *See* R.C. § 3903.42(A). Class 2 policyholder level claims include all insured loss claims and covered unearned premium claims paid by the IGAs. *See* R.C. § 3903.42(B).

Based on the Liquidator's review of CGIC proofs of claims and her analysis of the estate's Class 2 claims liability in relation to the estate's assets, the Liquidator determined and reported to this Court beginning in 2008 that the assets of the CGIC estate were and will remain insufficient to pay all allowed Class 2 claims in full (100%). Accordingly, the Liquidator did not

[1] In nearly all states, the minimum insurance guaranty association limit is $300,000 per policyholder, with some states having higher limits. However, there are generally no statutory caps and policy limits whatsoever on workers' compensation claims.

value CGIC proofs of claims in Classes 3 through 9 because the Liquidator will not pay anything to claimants in Classes 3 through 9 because there are insufficient assets to pay Class 2 claims in full.[2] See R.C. § 3903.42, supra.

V. Liquidator's Prior Class 1 Administrative Expense Distributions to IGAs

Prior to this Motion, with the Court's approval and pursuant to R.C. § 3903.42 (A), the Liquidator made three (3) partial distribution payments to the IGAs on their Class 1 administrative expense claims. The Liquidator has paid a total of $28,837,476.96 to the IGAs on their Class 1 claims, which represented a 100% distribution on these IGAs' Class 1 administrative expense claims as of June 30, 2012.

Since the last partial distribution on Class 1 claims, the IGAs have reported Class 1 additional administrative expense claims in the amount of $593,186.96 in CGIC. As discussed in Section VIII.C., the Liquidator will pay the additional Class 1 administrative expense claims of $593,186.96 to the IGAs in full at 100%.

VI. Liquidator's Final Reports of Claims

R.C. § 3903.43(A) requires the Liquidator to file reports of claims duly filed in the liquidation along with her recommendations of the amount of those claims.

At the beginning of 2012, the Liquidator established a Closing Plan in the CGIC estate to wrap-up all policyholder level claims, whether covered by a guaranty association or not, so that she could finally determine all proofs of claim filed in the CGIC estate and make the final distribution of CGIC estate assets pursuant to the priority of distribution provisions contained in R.C. § 3903.42.

---

[2] Policy claims filed against CGIC sometimes contained multiple Class components (*e.g.*, a claim for losses incurred, which is a Class 2 claim, and an attorney's claim for fees, which is a Class 5 general creditor claim). To fully resolve the claim, the Liquidator was required to adjudicate, classify and value all components of the claim, which resulted some non-Class 2 claim components being valued.

Because of the significant volume of policyholder level claims that the Liquidator determined were either paid in full or fully covered[3] by IGAs, in July 2012, to demonstrate progress on her CGIC Closing Plan, the Liquidator filed her First Final Report of Class 2 claims on zero dollar ($0.00) valued claims. This First Final Report covered 7,283 zero dollar Class 2 claims. Not only did the First Final Report close-out 7,283 claims as to the CGIC estate, it also confirmed the claims handled or being handled by the IGAs. The First Final Report of claims in Classes 4 through 9 covered 4,301 claims and the October 2012 Second Final Report of claims in Classes 2 and 5 covered another 6 claims, which we all zero dollar claims. These Reports further demonstrated to the Court, the IGAs and CGIC claimants the substantial progress being made by the Liquidator on her Closing Plan.[4]

Now, the Liquidator is making her third and final set of reports of claims in all Classes, covering 53 claims in Class 1, 2,905 claims in Class 2, and 1,435 claims in Classes 3 through 9. These reports show the total Class 1 and Class 2 claims liability of CGIC for purposes of calculating the final distribution of CGIC assets.

VII. Remaining Assets

As of August 24, 2014, the Liquidator holds general liquid assets of CGIC in the total amount of $105,350,325.91 (the "Current Asset Balance"). This is the total cash available for the final distribution on or about October 3, 2014, before the Liquidator's final reserve for payment of future Class 1 administrative expenses (including actual expenses billed or paid after August 24, 2014) and the IGAs' remaining unpaid Class 1 administrative expense claims that are described below.

---

[3] *See* footnote 1 regarding workers' compensation claims.
[4] The First and Second Sets of Final Reports were approved by this Court on July 24, 2012 and October 22, 2012, respectively

VIII. Liquidator's Final Report of Class 1 Administrative Expenses

Class 1 claims are defined generally as the costs and expenses of administration. R.C. § 3903.42 (A).

A. Liquidator's Final Reserve for Future Class 1 Administrative Expenses

Prior to closure of the estate, the Liquidator pays the costs and expenses she incurs to administer the CGIC estate from CGIC's assets held in its bank accounts. In preparation for a final distribution of assets and ultimate closure of this estate and its bank accounts, as in all liquidations, consistent with R.C. § 3903.42, the Liquidator is required to make an adjustment to the Current Asset Balance as of the time of the final distribution in order to reserve and pay for known, future Class 1 administrative expenses of the CGIC estate that the Liquidator will incur or pay following the calculation of the final distribution (the "Final Reserve").

The Liquidator's internal controls include a distribution accounting procedure implemented in 1995 for estimating as of a date certain (in this case August 24, 2014) prior to the final distribution to claimants, and then recording post-distribution, future administrative expenses. The Liquidator's future administrative expenses include salaries and other expenses incurred in conjunction with and following the filing of this Motion and the final distribution to allowed claimants; preparation and filing of the final federal tax returns through tax year 2014; a final independent audit through December 31, 2014; payment of outside legal fees and expenses billed or paid after August 24, 2014; compliance with various records retention and destruction schedules, some of which run through 2022[5]; and, other post-closing administrative obligations. The Liquidator conservatively estimates that the future administrative expenses necessary to conclude the administration of this liquidation on or after August 24, 2014 total $280,103.49.

[5] The limited records that must be retained until 2022 include the CGIC taxes and files associated therewith, which are subject to a seven-year retention requirement.

See, Liquidator's Final Reserve attached as Exhibit D and incorporated by reference. Therefore, the Liquidator will reserve the $280,103.49 Final Reserve from the assets of the CGIC estate prior to calculating the final pro-rata distribution.

B. Treatment of and Accounting for Liquidator's Final Reserve for Future Class 1 Administrative Expenses

The Final Reserve for payment of the Liquidator's future Class 1 Administrative Expenses will continue to be held in CGIC's bank accounts until the CGIC case is terminated, the corporation dissolved, its bank accounts closed and the Liquidator discharged pursuant to a Final Closing Order to be entered by this Court, all of which should occur in this case on or near December 1, 2014.

At the time this case terminates, and as part of the Liquidator's discharge, CGIC's dissolution and CGIC's bank accounts closing, the few remaining obligations of CGIC will be transferred to the LMI Insurance Company in Liquidation ("LMI") (*i.e.*, the 2014 tax return, the cost of document destruction, etc.). At the same time, the amount of CGIC's remaining Final Reserve funds will be transferred to LMI as a pre-payment of CGIC's administrative expense obligations pursuant to the Liquidator's Administrative Expense Operating Procedure effective January 1, 2011 ("AOP"), which was approved in the LMI case on December 21, 2010 and approved in the CGIC case on January 6, 2011. The payment and receipt of these funds will be reflected in the LMI periodic accounting reports filed in the LMI Liquidation Case, but the expenditures of the funds are not separately tracked, accounted for or reported pursuant to the provisions of paragraph 3 on page 8 of the AOP that apply to Closed and Closing Estates.

C. Liquidator's Final Report of the Insurance Guaranty Associations' Class 1 Administrative Expense Claims

As of December 31, 2012, the IGAs reported that they have incurred $29,430,663.92 in CGIC in Class 1 administrative expenses. *See* R.C. § 3903.42(A). The Liquidator adjusted the total Class 1 administrative expense claims reported by the IGAs of $29,430,663.92 by applying special deposits totaling $49,234.09, to arrive at a net total IGA Class 1 administrative expense claim of $29,430,663.92. The Liquidator previously paid a total of $28,837,476.96 to the IGAs on their Class 1 administrative expense claims, leaving $593,186.96 to be paid *See* Section V., above, and Exhibit A.

IX. Liquidator's Final Report of Class 2 Policyholder Level Claims

Class 2 claims are defined, in part, as "all claims under policies for losses incurred." R.C. § 3903.42(B). The Liquidator fully adjudicated all Class 2 proofs of claim that she received pursuant to Orders of this Court and R.C. Chapter 3903, particularly R.C. § 3903.39. The Class 2 policyholder level claims in the CGIC estate total $351,251,303.22. *See* Exhibit B. After the special deposit offsets discussed in A., below, the net Class 2 claims liability in CGIC totals $351,034,324.30.

A. Liquidator's Final Report of Insurance Guaranty Associations' Class 2 Policyholder Level Claims

The Liquidator's Final Report of Class 2 Claims at Exhibit B includes the IGAs' claims Class 2 claims against the CGIC general assets in the combined amount of $341,603,144.84, which the Liquidator has allowed under R.C. § 3903.42(B). After the application of special deposit offsets totaling $216,978.92[6] against two IGAs' claims, the net IGA Class 2 claims liability in CGIC totals $341,386,165.92. This accounts for the majority of CGIC's total Class 2 claims liability.

[6] The Idaho Insurance Guaranty Association received $89,204.00 in special deposit funds, which reduced its Class 2 claim to $210,086.65. The Michigan Insurance Guaranty Association received $127,774.92 in special deposit funds, which reduced its Class 2 claim to zero ($0.00).

B. Liquidator's Final Report of Non-IGA Class 2 Policyholder Level Claims

As reported in the Liquidator's 2013 Report on Status of Liquidation, there are Class 2 policyholder claims that are not covered in whole or in part by IGAs ("non-IGA Class 2 claims"). The Liquidator has the responsibility to administer and adjudicate non-IGA Class 2 claims arising under CGIC insurance policies or bonds. Thus, in addition to the allowed IGA Class 2 claims, the Liquidator's Final Report of Class 2 Claims at Exhibit B includes non-IGA Class 2 claims in the total amount of $9,648,158.38, which the Liquidator has allowed under R.C. § 3903.42(B).

X. Final Distribution

Now that all of the outstanding claims filed against CGIC have been resolved, the Liquidator is prepared, with the approval of this Court, to make a final 100% distribution from CGIC's remaining available assets to claimants holding allowed Class 1 claims and a final pro-rata distribution to claimants holding allowed Class 2 claims. The amount to be distributed to each claimant in Class 1 is reflected in Exhibit A, which is the Liquidator's Final Report of Guaranty Associations' Class 1 Administrative Expenses Claims. The Class 2 pro-rata distributions to IGAs and non-IGA Class 2 claimants are summarized in detail in Exhibit B, which is the Liquidator's "Determined Value Distribution Report."

The names and address of all claimants are redacted in Exhibit B because of claimant complaints the Liquidator received in prior liquidation cases. In those prior liquidations, several claimants reported that they had been contacted and questioned by claims buyers, neighbors, and others concerning their distributions. Through the redaction request, the Liquidator is protecting all claimants by redacting their contact information in this and other liquidation cases. Thus, the

Liquidator requests in this case that the claimants' names and address be filed under seal to comply with the requirements of R.C. § 3903.43.

The Liquidator in this case, as in others, will also post this Motion and Redacted Reports on her website at **www.ohliq.com** under Insurance Companies → Open → Credit General Insurance Company, under Public Documents, in the form of a searchable PDF so that claimants, if they choose, can search for information about their claims using their proof of claim (Liquidator) number and have meaningful review of the information related to their claims. The website also notifies claimants that they may call the Liquidation Office if they have questions about the Report.

A. Funds Available for Distribution to Allowed Class 2 Claimants

After subtracting the $954,315.93 combined Class 1 administrative expenses described above ($593,186.96 for the IGAs' Class 1 claims, $280,103.49 for the Liquidator's future administrative expenses, and $81,025.48 for the Liquidator's administrative expenses paid from August 24, 2014 through September 3, 2014) from the $105,350,325.91 Current Asset Balance, the Liquidator is left with $104,396,009.98 (the "Remaining Balance"). The Liquidator therefore does not have assets sufficient to pay the unpaid portion of allowed Class 2 claims in full. The Liquidator intends to distribute the Remaining Balance pro-rata to allowed Class 2 claimants pursuant to R.C. § 3903.42.

To arrive at the final pro-rata distribution percentage that assures that all allowed Class 2 claimants in the end receive the same pro-rata distribution percentage of CGIC estate assets, the Liquidator divided the $104,396,009.98 Remaining Balance available to pay all allowed Class 2 claims by the $351,034,324.30 net Class 2 determined value/liability, resulting in an adjusted pro-rata distribution of general assets equal to 29.7395% on the allowed Class 2 claims. The

distribution percentage and amounts have been calculated and are set forth on Exhibit B. This Exhibit shows that the Liquidator will finally distribute $104,395,852.89 to Class 2 claimants. A rounding difference of $157.09 resulted in cash remaining which will be added to the Liquidator's Final Reserve for payment of future Class 1 administrative expenses.

XI. Liquidator's Final Report of Claims in Classes 3 through 9

On July 2, 2014, this Court entered an order approving the Release Agreement between the Liquidator and the United States of America under which the federal government released all claims it has against the CGIC estate. Accordingly, the Liquidator's Final Report of Claims reflects that the two allowed Class 3 federal government claims (as defined in R.C. § 3903.42(C)), which were filed by the U.S. Department of Justice and the Centers for Medicare & Medicaid Services, are valued at zero dollars ($0.00). *See* Exhibit C.

The Liquidator's *Final Report of Claims in Classes 3 through 9*, which is attached as Exhibit C and incorporated by reference, reflects that there are 2 Class 3 claims, no Class 4 claims (as defined in R.C. § 3903.42(D)), 1,385 Class 5 claims (as defined in R.C. § 3903.42(E)), 12 Class 6 claims (as defined in R.C. § 3903.42(F)), 35 Class 7 claims (as defined in R.C. § 3903.42(G)), 1 Class 8 claim ((as defined in R.C. § 3903.42(H)), and no Class 9 claims (as defined in R.C. § 3903.42(I)). This Final Report shows that these claims will not receive any distribution due to insufficient assets in the CGIC estate to pay any claims below Class 2 claims.

XII. Conclusion

For the reasons set forth above, the Liquidator respectfully requests that this Court enter an Order:

1. Pursuant to R.C. § 3903.43 and 3903.44, approving the Liquidator's Final Report of Claims attached to this Motion as Exhibits A, B and C, including the determinations of the amounts, if any, and classes of each claim as set forth therein.
2. Pursuant to R.C. § 3903.43 and 3903.44, authorizing the Liquidator to make a 100% final distribution of CGIC's remaining assets to claimants in Class 1 in the amounts set forth in Exhibit A, and to make a final pro-rata distribution of CGIC's remaining assets to claimants in Class 2 in the amounts as detailed in Exhibit B, and finding that this final distribution of CGIC's assets is conclusive with respect to all claimants, whether or not they received notice, pursuant to R.C. § 3903.22(C).
3. Pursuant to R.C. § 3903.42, approving the Final Reserve of $280,103.49 pursuant to Exhibit D from the assets of the CGIC estate for the Liquidator's payment of administrative expenses under Class 1 of R.C. § 3903.42 related to closing the CGIC estate, that the Liquidator incurred, but has not yet paid, or anticipates will necessarily be incurred in this regard on or after August 24, 2014.
4. Requiring that the unredacted Reports of Claims at Exhibits B and C be filed with the Franklin County Clerk of Court under seal due to the confidential nature of the claimant information contained in the Reports.
