Honorable Mary Taylor  
Lt. Governor/Director  
State of Ohio  
Department of Insurance  
50 West Town Street  
3<sup>rd</sup> Floor – Suite 300  
Columbus, Ohio 43215

Dear Madam:

In accordance with Section 3901.07 of the Ohio Revised Code (“ORC”), the Ohio Department of Insurance (“Department”) conducted an examination of

**Infinity General Insurance Company**

an Ohio domiciled, stock, property and casualty insurance company, hereinafter referred to as the “Company.”

**Scope of Examination**

The Department last examined the Company as of December 31, 2006. The Department’s current examination covers the period of January 1, 2007 to and including December 31, 2011.

The examination was conducted in accordance with the National Association of Insurance Commissioners (“NAIC”) Financial Condition Examiners Handbook (“Handbook”). The Handbook requires that the Department plan and perform the examination to evaluate the Company’s financial condition and identify prospective risks including corporate governance, identify and assess inherent risks, and evaluate system controls and procedures used to mitigate those risks. An examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation, management’s compliance with Statutory Accounting Principles and Annual Statement instructions when applicable to domestic state regulations.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process.

For all years under examination except 2011, the Certified Public Accounting firm of Ernst & Young LLP provided an unqualified opinion on the Company’s financial statements based on Statutory Accounting Principles. The audited financial reports were reviewed during the examination. No financial statement audit was completed for the Company for 2011, with approval by the Ohio Department of Insurance.
