Reinsurance

The Company participates in a single reinsurance pooling arrangement with its affiliated property and casualty companies. Each participating company shares in all lines and in all types of business.

The following companies are participants:

Westfield Insurance Company	54.0%
Ohio Farmers Insurance Company	19.0%
Westfield National Insurance Company	13.0%
Old Guard Insurance Company	9.0%
American Select Insurance Company	<u>5.0%</u>
	100.0%

The Company cedes insurance primarily to reinsurance contracts known as treaties, under which risks are ceded to a reinsurer on specific blocks of business where the underlying risks meet certain predetermined criteria and on a facultative basis, whereby the reinsurer's prior approval is required for each risk reinsured.

Treaty-basis excess of loss contracts in effect through December 31, 2012 generally protect against individual losses over \$3.0 million. These treaties provide a limit above the \$3.0 million retention of \$12.0 for both property and casualty losses. Property catastrophe coverage is also maintained by the Company. This coverage is in three layers with a total limit of \$265 million excess of a \$35.0 million retention per event with limited coverage for domestic terrorism.

The Company also assumes insurance through reinsurance contracts whereby coverage is provided to a reinsurer(s) for specific classes of business and geographic territories. The reinsured losses covered under a typical contract may be a proportion of all eligible losses or eligible losses in excess of defined retentions. Assumed reinsurance contracts in effect through December 31, 2012 provide coverage exclusively on a proportional basis. The Company focuses primarily on property catastrophe reinsurance written on a worldwide basis. The Company's most significant exposure is to losses from earthquakes and hurricanes, although the Company is also exposed to other claims, such as those arising from other natural and manmade catastrophes.

All significant contracts contained an insolvency clause, intermediary clause, errors and omission clause, arbitration clause and a service of suit clause applicable to foreign reinsurers, which meet the guidelines of the NAIC.

The examination noted that the Company has policies and procedures in place to comply with SSAP 62R and 63.
