

DME Fraud Webinar

Date and Time: Tuesday, March 17, 2:00 – 3:30 p.m. Eastern Time

Speaker: Ryan Coble, U.S. Department of Health & Human Services, Office of Inspector General, Investigations Unit

Audience: This is an SMP Resource Center webinar that may also be of interest to SHIPs. Please keep in mind that it is hosted by the SMP Resource Center and so the primary audience will be SMP personnel; however, anyone in the SHIP network who is interested in this topic is certainly welcome to attend.

Resources: Due to the law enforcement sensitivity of the topic, this session will NOT be recorded, nor will a copy of the presentation be available for future use.

Description: In this webinar, Ryan Coble will discuss durable medical equipment (DME) fraud, which is her area of specialty at the Office of Inspector General (OIG).

This presentation will include information about:

- Common DME fraud schemes
- DME case examples, trends, and hotspots
- What SMPs (and beneficiaries) should look for to spot DME fraud
- Information to provide to the OIG when referring cases of suspected DME fraud

We will also briefly review the SMP referrals process and related resources.

Registration is required!

[Click here to register](#)

- In the “Last Name” field, also enter your two-letter state abbreviation if you are a SHIP (i.e.: Smith – ST).
- Use “ACL” instead of a state abbreviation if you are with ACL (i.e.: Jones – ACL) and “Center” if you are with the national SMP or SHIP Centers (i.e. “Doe – Center”).

This abbreviation will appear behind your name on the web event. After you register, you will receive a confirmation email with instructions for joining the session.

To add this session to your calendar program (i.e. Microsoft Outlook)

See the attachment in your confirmation email.

Access Instructions: For access instructions, see your calendar program, or [click here](#).

New to WebEx? If this is one of your first web events hosted by the SMP Resource Center, please join 10-15 minutes early to allow the necessary software to download and to view WebEx tips. You may also [click here](#) to preview WebEx tips.
