v.	:	Judge Richard S. Sheward
American Chambers Life Insurance Company,	:	
Defendant.	:	

LIQUIDATOR'S MOTION FOR AUTHORITY TO DESTROY CERTAIN RECORDS OF AMERICAN CHAMBERS LIFE INSURANCE COMPANY AT IRON MOUNTAIN AND FIREPROOF RECORDS CENTER

Mary Taylor, Ohio Superintendent of Insurance, in her capacity as Liquidator (the "Liquidator") of American Chambers Life Insurance Company ("ACLIC"), respectfully requests that this Court enter an Order authorizing the Liquidator to destroy certain records of the ACLIC liquidation estate that have not been used and will not be used to administer the ACLIC liquidation estate. Specifically, the records will not be used to execute the final distribution in this case or be used through the closing of the estate, set to occur before December 31, 2013. The destruction of these records is in accord with Ohio Revised Code § 3903.48 as the records are no longer useful and destruction of them will reduce the administrative expenses associated with keeping and storing the records and thereby conserve estate assets for the benefit of policyholders and claimants. A Memorandum in Support is attached.

Attorneys for Plaintiff Mary Taylor, in her capacity as Liquidator of the American Chambers Life Insurance Company

MEMORANDUM IN SUPPORT

On May 8, 2000, the Court ordered American Chambers Life Insurance Company ("ACLIC") into liquidation under Ohio Revised Code Chapter 3903 ("Liquidation Order"). The Liquidation Order and R.C. § 3903.48 grant the Ohio Superintendent of Insurance in her capacity as statutory liquidator of ACLIC (the "Liquidator") the authority to determine when company records are no longer useful and to "...recommend to the court and the court shall direct what records should be retained for future reference and what should be destroyed." R.C. § 3903.48.

As part of the administration of this estate, the Liquidator has continued to store records that ACLIC placed in storage prior to liquidation, i.e. prior to May 8, 2000. Also, the Liquidator has continued to store ACLIC records she inherited when ACLIC was ordered into liquidation. As in all liquidations, the Liquidator analyzes whether or not these and other records are needed and/or useful in the administration of an estate. The Liquidator conducted this analysis of the records listed on Exhibits B and E. The Liquidator is now requesting the Court to authorize the destruction of these ACLIC records that have not been used in the administration of the estate and are not needed for the claims adjudication process or otherwise in this liquidation. *See* Affidavit of Chief Deputy Liquidator Lynda G. Loomis ("Loomis"), attached hereto as Exhibit A, ¶ 2, and R.C. § 3903.48. Listings of the records recommended for destruction are attached as Exhibits B and E, and incorporated herein by reference.

I. Iron Mountain Records

The records to be destroyed include approximately 13,966.45 Cubic Feet of documents that are currently stored at Iron Mountain facilities in or near Chicago, Illinois (the "Iron Mountain Records"), at a cost of $4,394.93 per month pursuant to a contract entered into in May of 2009. *See* the July 2013 invoice detailing the records stored by ACLIC pre-liquidation departments at Exhibit B, and the Iron Mountain contract at Exhibit C. The Liquidator will provide the required 30-day written notice to Iron Mountain, request that they securely destroy the Iron Mountain Records, and request that they promptly submit a final billing so that it may be paid from the ACLIC estate assets prior to determining the assets remaining for distribution. The Liquidator obtained a quote from Iron Mountain regarding the costs to close the ACLIC account via destruction of the Iron Mountain Records. The quote indicates that the cost will be approximately $91,589.16, which amount includes the August invoice of $4,394.93. *See* Exhibit D.

The Iron Mountain Records were warehoused with Iron Mountain prior to ACLIC's liquidation date of May 8, 2000. Because these records were already warehoused as of ACLIC's liquidation date, they were not moved to Columbus when the Liquidator took ownership of them. (Loomis ¶ 3) The Liquidator did not prepare an inventory of the contents of the 13,966.45 Cubic Feet of records because Iron Mountain provided a box level listing of the records[1] tying to the invoice that details the records by department,

[1] Because the box level listing of the Iron Mountain Records is 208 pages long and the documents have not been accessed since March 2003, the Liquidator is providing the invoice that details the records by ACLIC pre-liquidation departments as its description of documents., at Exhibit B.

which provided sufficient detail for the Liquidator's staff to analyze and determine whether or not the records were needed or useful to the estate administration. No records have been retrieved from Iron Mountain storage since March 2003, when the Liquidator permanently moved to storage in Columbus a few records she needed for purposes of ACLIC's liquidation.[2] (Loomis ¶ 4).

None of the remaining Iron Mountain Records have been used by the Liquidator in the administration of ACLIC's liquidation, including for claims adjudication. (Loomis ¶ 5) Information for claims adjudication in ACLIC came primarily from the guaranty funds that paid ACLIC's covered claims.

II. Fireproof Records Center Records

The records recommended for destruction also include 47 pallets of approximately 1,575 boxes of documents that are currently stored at Fireproof Records Center in Grove City, Ohio (the "FRC Records"), at a cost of $401.38 per month pursuant to the Liquidator's master storage contract with FRC. *See* Exhibit E. The FRC Records are all pre-liquidation records of ACLIC stored at FRC because the Liquidator did not require access to them. Similar to the Iron Mountain Records, none of the FRC Records have been used by the Liquidator in the administration of ACLIC's liquidation, including for claims adjudication. (Loomis ¶ 6) The Liquidator obtained a quote from FRC for the certified destruction of the FRC Records, which indicates that it will cost the ACLIC estate $5,116.26. *See* Exhibit F.

[2] Many of the records recommended for destruction date range from sometime in 1992 to March 2000.

III. Status of ACLIC Liquidation Proceedings

The Liquidator recently resolved lengthy and complex litigation in the ACLIC estate involving her claims against ACLIC's former accountants and attorneys for professional negligence.[3] During the course of that litigation, the Liquidator was required by the defendants to continue to store the Iron Mountain Records. Since the litigation has been fully resolved, the Iron Mountain Records are recommended for immediate destruction upon approval of this Motion.

Having resolved all litigation in ACLIC, which was the remaining activity in the past year, the Liquidator is readying the estate for closure. Thus, the FRC Records are also recommended for immediate destruction upon approval of this Motion.

The Liquidator has fulfilled her fiduciary duty to policyholders, creditors, and claimants by determining that the records are no longer of value and the records can be destroyed. (Loomis ¶ 7) The records destruction expense of approximately $92,310.49[4] may be paid now, rather than be reserved for payment following distribution.

For the reasons outlined above, the Liquidator respectfully requests the Court for an Order pursuant to RC § 3903.48 that: (1) allows the immediate destruction of Iron Mountain Records, as shown on Ex. B, because these records are no longer useful to

administering the ACLIC liquidation estate, (2) allows the immediate destruction of FRC Records, as shown on Ex. C, because these records are no longer useful to administering the ACLIC liquidation estate, and (3) authorizes the Liquidator to spend estate assets for such destruction.

An Order is attached for the Court's consideration and approval.

AFFIDAVIT

STATE OF OHIO)
) **SS:**
COUNTY OF FRANKLIN)

I, Lynda G. Loomis, in my capacity as Chief Deputy Liquidator of American Chambers Life Insurance Company, having been so appointed by the Superintendent of the Ohio Department of Insurance in her capacity as Liquidator of American Chambers Life Insurance Company, upon personal knowledge and information known to me or supplied to me by others upon whom I rely in my capacity as Chief Deputy Liquidator, make the following statements under oath:

1. In my capacity as Chief Deputy Liquidator, I supervise those employees of the Liquidator who have custody of and are responsible for maintaining the records of the ACLIC liquidation estate.

2. I recommend the disposal of the boxes of documents listed on the "ACLIC - Iron Mountain Records" inventory attached to the Motion as Exhibit B. To the best of my

knowledge and belief, the records listed on Exhibit B have not been used in the administration of the ACLIC estate and are not needed for the claims adjudication process or otherwise in this liquidation.

3. The Iron Mountain Records were warehoused with Iron Mountain prior to ACLIC's liquidation date of May 8, 2000. The last receipt of ACLIC boxes at this location occurred on March 27, 2000. Because these records were already warehoused as of ACLIC's liquidation date, they were not moved to Columbus when the Liquidator took ownership of them.

4. The last retrieval of an ACLIC record from Iron Mountain was March 2003, and no ACLIC records at Iron Mountain have been accessed since.

5. None of Iron Mountain Records have been used in the claims adjudication process in ACLIC.

6. The ACLIC records stored at Fireproof Records Center ("FRC Records") are all pre-liquidation records stored at FRC because the Liquidator did not require access to them. None of the FRC Records have been used by the Liquidator in the administration of ACLIC's liquidation, including for claims adjudication.

7. None of the records recommended for destruction benefit the policyholders or creditors of ACLIC because the records are no longer of value and their continued storage would be a drain on the assets of ACLIC.

The information contained in this affidavit is accurate and complete to the best of

my knowledge.

BASIC TERMS AND CONDITIONS

(Based on terms and conditions promulgated by Professional Records & Information Services Management)

The following terms and conditions shall apply to this Agreement.

1. **Term and Termination.** The term of this Agreement shall commence on the date of Customer's signature or, if later, the Effective Date set forth on the first page of this Agreement. The initial term of this Agreement shall continue for one (1) year after commencement, unless otherwise set forth in a Schedule. Unless otherwise provided in a Schedule, upon expiration of the initial term, the term will continue with automatic renewals for additional one (1) year terms, unless written notice of non-renewal is delivered by either party to the other not less than thirty (30) days prior to the expiration date. If Customer elects to terminate this Agreement prior to the end of the one (1) year term for any reason, including but not limited to document destruction and/or removal of Deposits from Iron Mountain, Customer shall provide thirty (30) days written notice of early termination to Iron Mountain. In this event, Iron Mountain agrees that the remainder of the then current term shall be billed at the $125 minimum monthly rate as set forth on Schedule A. In the event that Iron Mountain continues to hold Deposits after the expiration or termination of this Agreement, the terms of this Agreement shall continue to apply until all Deposits have been removed from Iron Mountain's facility, except that Iron Mountain may adjust rates upon thirty (30) days' written notice.
2. **Charges.** Rates and charges shall be as specified in the Pricing Schedule (Schedule A) and/or other Schedules. Unless otherwise provided in a Schedule: (i) rates for storage shall remain fixed for the first year of this Agreement, and may thereafter be changed at any time upon thirty (30) days' written notice, and (ii) rates for services may be adjusted by Iron Mountain at any time upon thirty (30) days' written notice. Transportation surcharges apply and change monthly without notice in accordance with the fuel surcharge policy, which may be found at http://clc.ironmountain.com.
3. **Principal Provider.** The charges for the services set forth in the Schedules are predicated upon the expectation that Customer will utilize Iron Mountain as its primary third-party provider of such services. In the event that Customer does not so utilize Iron Mountain's services, Iron Mountain reserves the right to adjust rates and charges to standard list rates and charges.
4. **Authorizations; Customer Instructions.** Iron Mountain will perform services pursuant to direction of Customer's agent(s) identifi[redacted]uthority granted to any persons on standard authorization forms shall constitute Customer's representation that the identified persons have full authority to order any service for, or disposal or removal of, Customer's Deposits. Such orders may be given in person, by telephone or in writing (fax, electronically or hard-copy).
5. **Operational Procedures.** Customer shall comply with Iron Mountain's reasonable operational requirements, as modified from time to time, regarding containers, delivery/pickup volumes, preparation for pickup, security, access and similar matters. Customer acknowledges that volume requests that exceed one hundred twenty-five percent (125%) of normal volume may require Iron Mountain to incur additional costs, which Customer will pay at Iron Mountain's overtime rates, provided that Iron Mountain shall have advised Customer thereof in advance.
6. **Force Majeure.** In no event shall either party be liable for delay or inability to perform caused by acts of God, governmental actions, labor unrest, acts of terrorism, riots, unusual traffic delays or other causes beyond its reasonable control.
7. **Governmental Orders.** Iron Mountain is authorized to comply with any subpoena or similar order related to the Deposits, provided that Iron Mountain notifies Customer promptly upon receipt thereof, unless such notice is prohibited by law. Customer shall pay Iron Mountain's applicable charges set forth in a Schedule(s) for such compliance. Iron Mountain will cooperate with Customer's efforts to quash or limit any subpoena, at Customer's expense. Customer acknowledges that its shipments may be subject to inspection while in transit by federal, state or local government entities ("Government Inspectors"), and Customer authorizes Iron Mountain to fully cooperate with such inspections. Iron Mountain shall bear no responsibility for loss or damage to Deposits, or containers housing Deposits, caused by Government Inspectors.
8. **Confidentiality.** "Confidential Information" means (i) any information concerning or relating to the property, business and affairs of the party disclosing such information that is furnished to the receiving party, and (ii) this Agreement and its Schedules, except for information that was previously known to the receiving party free of any obligation to keep it confidential, is subsequently made public by the disclosing party or is disclosed by a third party having a legal right to make such disclosure. All Confidential Information shall be held in confidence by the receiving party and shall be used only in the manner contemplated by this Agreement. Iron Mountain shall not obtain any rights

of any sort in or to the Confidential Information of Customer contained in Deposits. Iron Mountain shall implement and maintain reasonable safeguards designed to protect Customer's Confidential Information.

9. **Liability in Event of Loss of Deposits.** Iron Mountain shall not be liable for any loss or destruction of, or damage to, Deposits, however caused, unless such loss or damage resulted from the failure by Iron Mountain to exercise such care as a reasonably careful person would exercise under like circumstances; Iron Mountain is not liable for loss or damage which could not have been avoided by the exercise of such care. If liable, the amount of Iron Mountain's liability is limited as provided on the first page hereof. Deposits are not insured by Iron Mountain against loss or damage, however caused. Customer may insure Deposits through third-party insurers for any amount, including amounts in excess of the agreed value set forth above. Customer shall cause its insurers of Deposits to waive any right of subrogation against Iron Mountain. If Deposits are placed in the custody of a third-party carrier for transportation, the carrier shall be solely responsible for any loss or destruction of, or damage to, such Deposits while in the custody of the carrier.

10. **Liability for Non-Storage Services.** With respect to services not related to the storage of Deposits, Iron Mountain shall not be liable for any loss or default unless such loss or default is due to the negligence of Iron Mountain. If liable, the amount of Iron Mountain's liability is limited as provided on the first page hereof.

11. **No Consequential Damages, etc.** In no event shall either party be liable for any consequential, incidental, special or punitive damages, or for loss of profits or loss of data, regardless of whether an action is brought in tort, contract or under any other theory.

12. **Destruction of Deposits.** Customer releases Iron Mountain from all liability by reason of the destruction of Deposits pursuant to Customer's written authorization. Unless Customer specifically identifies in writing that a Deposit does not contain consumer information (as defined in 16 CFR Section 682.1) or personal data, Deposits will be destroyed by shredding (except that media may be destroyed by pulverization or incineration). Services will be performed at the rates set forth in a Schedule

13. **No Product Warranty.** Iron Mountain hereby assigns to Customer any manufacturers' warranties applicable to any products sold by Iron Mountain pursuant to this Agreement. Iron Mountain provides no warranties related to products sold. WITH RESPECT TO PRODUCTS SOLD BY IRON MOUNTAIN TO CUSTOMER, IRON MOUNTAIN MAKES NO EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

14. **Notice of Claims.** Claims by Customer must be presented in writing within a reasonable time, and in no event longer than ninety (90) days after delivery or return of the Deposits to Customer or ninety (90) days after Customer is notified of loss, damage or destruction of part or all of the Deposits.

15. **Filing of Actions.** No action may be maintained against Iron Mountain for loss, damage or destruction of Deposits, unless timely written notice has been given as provided in Section 14, and unless such action is commenced within the earlier of one (1) year after: (i) the date of delivery or return of the Deposits, or (ii) the date Customer is notified of the loss, damage or destruction.

16. **Notice of Loss.** When Deposits have been lost, damaged or destroyed, notice thereof may be given by mailing a letter via U.S. mail to Customer, and the time limitation for presentation of a claim and commencement of action or suit begins on the date of Customer's receipt of such notice.

17. **Payment; Late Fees, etc.** Payment terms are net, thirty (30) days. Customer shall be liable for late charges at the rate equal to the lesser of one percent (1%) per month or the highest rate legally permitted in the state where Customer is located, calculated from the date payment was due until the date payment is made together with all expenses incurred in collection, including reasonable attorneys' fees and expenses. If Customer is consistently delinquent (defined as being late in the payment of any three (3) or more undisputed invoices in a 12-month period) and/or upon the expiration or termination of this Agreement, Iron Mountain may require payment by certified check prior to performance of services, including delivery of Deposits.

18. **Customer Default.** If Customer fails to pay Iron Mountain's charges (other than disputed charges) within forty-five (45) days after the date of an invoice, Iron Mountain may, at its option: (a) suspend service, or (b) terminate this Agreement. Upon termination for Customer's default, Iron Mountain may securely destroy Deposits upon ninety (90) days' notice to Customer; Customer shall pay Iron Mountain's standard price for such secure destruction. A final notice will be sent to Customer ten (10) days prior to secure destruction of the Deposits. Iron Mountain shall have other rights and remedies as may be provided by law. In the event Iron Mountain takes any actions pursuant to this Section, it shall have no liability to Customer or anyone claiming by or through Customer.

19. **Ownership Warranty.** Customer warrants that it is the owner or legal custodian of the Deposits and has full authority to store the Deposits and direct their disposition in accordance with this Agreement. Customer shall reimburse Iron Mountain for any expenses reasonably incurred by Iron Mountain (including reasonable legal fees) by reason of (i) Iron Mountain's compliance with the instructions of Customer in the event of a dispute concerning the

ownership, custody or disposition of Deposits, or (ii) any representation by Customer in this Agreement being untrue or incorrect.

20. **Restrictions on Material; Customer Premises.** Customer shall not store with Iron Mountain nor deliver for shredding any material that is highly flammable, explosive, hazardous, toxic, radioactive, medical waste, organic material that may attract vermin or insects, or otherwise dangerous or unsafe to store or handle, or any material that is regulated under any federal or state law or regulation relating to the environment or hazardous materials. Customer warrants that it shall only place paper-based materials in the shredding bins. Customer shall indemnify Iron Mountain for damage to equipment or injury to personnel resulting from Customer's breach of this warranty. Customer shall not store negotiable instruments, jewelry, check stock or other items that have intrinsic value. Customer's premises where Iron Mountain employees perform services or make deliveries hereunder shall be free of hazardous substances and hazardous or dangerous conditions.

21. **Software License.** If access to or use of Iron Mountain inventory management software and computer programs (the "Software") is provided hereunder in connection with the services, Iron Mountain hereby grants Customer a limited, nonexclusive license to use the Software solely in conjunction with records storage services provided by Iron Mountain during the term of this Agreement. Customer acknowledges that all Software and the inventory management system comprised of the Software belong to Iron Mountain. During the term of this Agreement, Iron Mountain shall have the exclusive right to use Deposit inventory information (including metadata) to provide records management services to Customer; upon expiration of this Agreement, Iron Mountain shall have the right to use such inventory information for administrative purposes. Iron Mountain's obligation to protect the confidentiality of such information shall survive the termination or expiration of this Agreement.

22. **Purchase Orders.** In the event that Customer issues a purchase order to Iron Mountain covering the services provided under this Agreement, any terms and conditions set forth in the purchase order which are in addition to or establish conflicting terms and conditions to those set forth in this Agreement are expressly rejected by Iron Mountain.

23. **Non-Custodial Status.** Unless Iron Mountain shall have explicitly agreed in writing, Iron Mountain's performance of services shall not cause Iron Mountain to be deemed a "custodian" of the records or "designee" of Customer with respect to such records, or have any other liability under state or federal law with respect to such records.

24. **ITAR/EAR Compliance.** Customer represents that none of the Deposits stored by Iron Mountain pursuant to this Agreement require protection from access by foreign persons because they contain technical information regarding defense articles or defense services within the meaning of the International Traffic in Arms Regulations (22 CFR 120) or technical data within the meaning of the Export Administration Regulations (15 CFR 730-774). If any of Customer's Deposits do contain any such information, Customer shall notify Iron Mountain of the specific Deposits that contain such information and acknowledge that special storage and service rates shall apply thereto.

25. **Miscellaneous.** This Agreement binds the successors and assigns of the respective parties and cannot be changed orally. This Agreement may not be assigned by either party (other than to an affiliate which shall assume the obligations of its assignor by written instrument) without the written consent of the other party, which shall not be unreasonably withheld or delayed. Any notice made pursuant to this Agreement may be given in writing at the addresses set out on the first page hereof until written notice of a change of address has been received. Notices to Iron Mountain shall be sent to the attention of its General Manager at such address. Subject: RE: G0409 - AMERICAN CHAMBERS LIFE INSURANCE CO - Account Closure Cost Summary
Importance: High

Thank you Bryan for the cost summary to terminate our Iron Mountain account. I have a couple of items to confirm:

- **Does this include all costs to finalize and close our account? Are there other charges not reflected on this summary?**
- **Once I approve, can I get a final invoice immediately. We will get court approval for the payment and then we need to make the payment very soon. There would be no other payments we can make at that point. I know the destruction itself will take a while. We just want a fixed cost that we can pay.**
- **I assume destruction certificates will be forwarded to us upon completion of destruction?**

Get back to me on these issues and we will get this finalized.

Subject: G0409 - AMERICAN CHAMBERS LIFE INSURANCE CO - Account Closure Cost Summary

Hello Brian,

I have prepared the current costs to close G0409 via destruction of all inventory. This is based on completion on invoicing and payment by mid Sept. A slower timeline will result in higher costs due to increased storage.

This is using the standard pacing of 300 CF/business day.

Let me know if you have any questions or if you wish me to contact the customer to put this through the normal closure process.

Below is the cost summary to close account **G0409** .After reviewing the cost summary, please sign the document and return via email.
My contact information can be found below, please do not hesitate to contact me with any questions.
