MEMORANDUM IN SUPPORT

On October 27, 2008, this Court ordered GTT into liquidation under O.R.C. Chapter 3903. The Liquidation Order and O.R.C. § 3903.48 grant the Ohio Superintendent of Insurance, in her capacity as statutory liquidator of GTT (the "Liquidator"), the authority to determine when company records are no longer useful and "...recommend to the court and the court shall direct what records should be retained for future reference and what should be destroyed." O.R.C. § 3903.48.

As part of the administration of this liquidation estate, the Liquidator has continued to store records that GTT placed in storage prior to liquidation. As the liquidation proceeds, the Liquidator analyzes whether or not these and other records are needed and/or useful in the administration of the particular liquidation estate. The Liquidator has conducted such an analysis of the list of documents summarized on Exhibit A, attached, and now seeks an order of destruction for the same.

The Liquidator seeks the requested relief because she no longer requires these particular records to administer the GTT liquidation estate. The records the Liquidator requests and recommends be destroyed are no longer useful. In furtherance of her statutory duties, the Liquidator seeks to conserve estate assets by destroying useless records now. By destroying the records detailed in Exhibit A, located in Cincinnati, Ohio, the Liquidator can save expenses by vacating a warehouse by the end of September 2010.

None of these pre-liquidation documents to be destroyed is necessary for the ongoing estate administration. The records were all placed in storage by the company officials years prior to liquidation and have not been accessed by the Liquidator. None of these records are being used in the claims adjudication process. The records must be

destroyed at some point and, by doing so now, the estate will save storage costs and will not incur any destruction costs.

For the reasons stated above, the Liquidator respectfully requests that this Court enter an Order pursuant to the Liquidation Order and O.R.C. § 3903.48, which authorizes her to destroy the records in the Cincinnati, Ohio warehouse.

Respectfully submitted,
