Ohio Insurance Liquidator

Report on Status of Liquidation

On June 6, 2013, the Liquidator filed a Report on Status of Liquidation with the Franklin County Court of Common Pleas, to inform the Court and claimants in the Credit General Insurance Company and Credit General Indemnity Company (collectively "Credit General") liquidation cases of the status of the liquidations and the Liquidator's progress on her closing plan since the last status report filed on May 7, 2012.

The Report contains an explanation of the Liquidator's progress on the closing plan. As reported, the Liquidator believes that three of the four Closing Plan Pre-Conditions will be satisfied by year-end 2013. Unfortunately, due to circumstances beyond the Liquidator's control surrounding obtaining a release from the United States so that she may make a final distribution in the estates, at this point, the Liquidator is not sure how much of an extension of time, if any, of the December 31, 2013 deadline will be necessary to satisfy this fourth Closing Plan Pre-Condition.
