Comparison 2013 to 2016 Weighted Average Annual Premium

Individual Market

	Weighted Average Annual Premium
2013*	\$2,650.17
2016**	\$4,795.18
% Change	81%

Small Group Market

	Weighted Average Annual Premium
2013*	\$4,041.66
2016**	\$7,256.39
% Change	80%

*2013 Weighted Average Annual Premium was calculated from issuer reported annual premium and number of covered lives in the NAIC Supplemental Health Care Exhibit for 2013, Comprehensive Health Coverage. Issuers with zero premium or zero lives were removed from the census. Average weighted by number of lives as reported by the issuer.

**2016 Weighted Average Annual Premium was calculated from the proposed monthly rates in the 2016 RateData Templates received by the Ohio Department of Insurance as of 5/1/2015 and weighted by the member months assumed by the issuers listed in the URRT. Trend was not incorporated into the calculation. Average weighted by member months assumed by the issuer.
