

Comparison 2018 to 2013 Weighted Average Annual Premium

Individual Market

	Weighted Average Annual Premium
2013*	\$2,650.17
2018**	\$5,798.83
% Change	119%

Small Group Market

	Weighted Average Annual Premium
2013*	\$4,041.66
2018**	\$7,444.34
% Change	84%

*2013 Weighted Average Annual Premium was calculated from issuer reported annual premium and number of covered lives in the NAIC Supplemental Health Care Exhibit for 2013, Comprehensive Health Coverage. Issuers with zero premium or zero lives were removed from the census. Average weighted by number of lives as reported by the issuer.

**2018 Weighted Average Annual Premium was calculated from the monthly rates in the 2018 Rate Data Templates as of 8/24/2018 and weighted by the member months assumed by the issuers listed in the URRT. Trend was not incorporated into the calculation. Average weighted by member months assumed by the issuer.
