PLAINTIFF'S MOTION FOR AUTHORITY TO DESTROY CERTAIN RECORDS OF DAYMED HEALTH MAINTENANCE PLAN, INC.

Mary Jo Hudson, Ohio Superintendent of Insurance, in her capacity as the Liquidator (the "Liquidator") of DayMed Health Maintenance Plan, Inc. ("DayMed"), hereby moves this Court for an Order authorizing the Liquidator to destroy certain DayMed records that have not been used, or will not be used, to administer the DayMed liquidation estate. The destruction of these records is in accord with O.R.C. § 3903.48 because the records are no longer useful, and destruction of them will reduce the administrative expenses associated with keeping and storing the records and thereby

conserve estate assets for the benefit of policyholders and claimants. This Motion is supported by the attached Memorandum in Support.

Respectfully submitted,

RICHARD CORDRAY
Attorney General of Ohio

MEMORANDUM IN SUPPORT

On March 4, 1999, the Court ordered DayMed Health Maintenance Plan, Inc. ("DayMed") into liquidation under Ohio Revised Code Chapter 3903 (the "Liquidation Order"). The Liquidation Order and O.R.C. § 3903.48 grant the Ohio Superintendent of Insurance, in her capacity as statutory liquidator of DayMed (the "Liquidator"), the authority to determine when company records are no longer useful and "...recommend to the court and the court shall direct what records should be retained for future reference and what should be destroyed." O.R.C. § 3903.48.

The Liquidator is preparing to close the DayMed estate by year end 2010. Since the inception of the DayMed liquidation proceedings, the Liquidator has, among other duties, thoroughly reviewed the books and records of DayMed and identified and collected, where reasonable, all known assets of DayMed, and has reviewed, valued and classified claims of DayMed.

Early in the DayMed liquidation process, the Liquidator rented warehouse space near the liquidation office in order to store the DayMed documents that were moved to Columbus from DayMed's offices following its closing. In 2009, to reduce overhead expenses to the DayMed estate, the Liquidator relocated many records that were no longer essential to administering the DayMed liquidation estate to Fireproof Records Center for storage until they could be destroyed.

In preparation for the closing of the DayMed liquidation estate, the Liquidator is now requesting the Court to authorize the destruction of certain DayMed records currently stored at the Fireproof Records Center and at the Liquidator's warehouse that have not been used in the administration of the DayMed liquidation estate and will not be useful in the final phase of the administration of the DayMed liquidation estate. (Affidavit of Chief

Deputy Liquidator Lynda G. Loomis ("Loomis"), attached hereto as Exhibit 1, ¶ 3 and *see e.g.* O.R.C. § 3903.48). The categories of records to be destroyed are as follows: (1) all pre-liquidation non-essential accounting records; (2) all pre-liquidation administrative and corporate records; (3) all claim files closed prior to liquidation; (4) all warehoused and non-essential underwriting and policy files; and (5) all pre-liquidation IT records and data. The schedule identifying the approximately 1,743 boxes of records to be destroyed is attached hereto as Exhibit A.

The Liquidator has fulfilled her fiduciary duty to policyholders, creditors, and claimants by determining that the documents are no longer of value as they are not required to administer the DayMed liquidation estate and the documents can be destroyed. The ongoing expense of retaining such documents should not be the responsibility of the estate in these circumstances. Furthermore, the records must be destroyed at some point anyway and by doing so now, the DayMed estate ceases to incur continued storage costs. The destruction expense of approximately $6,422.96 can be paid now rather than being reserved for later.

For the reasons stated above, the Liquidator moves this Court for an order pursuant to the Liquidation Order and O.R.C. § 3903.48, which authorizes her to determine when records are no longer useful and to petition the court for an order of destruction. Specifically, the Liquidator seeks an Order that: (1) allows the immediate destruction of the approximately 1,743 boxes of the DayMed records that the Liquidator has selected for destruction because these records are no longer useful to administering the DayMed

liquidation estate, and (2) authorizes the Liquidator to spend estate assets for such destruction.

Respectfully submitted,

RICHARD CORDRAY
