This matter came before the Court upon the Motion of Ann H. Womer Benjamin, Ohio Superintendent of Insurance, in her capacity as Liquidator of HealthOhio, Inc. d/b/a HealthFirst ("HealthFirst") for an order approving and authorizing the Liquidator's Final Report of Claims of HealthFirst, as attached to said Motion and hereto as Exhibit A, and final distribution of HealthFirst's assets to creditors listed therein, and related actions, pursuant to Ohio Revised Code §§ 3903.42, 3903.43 and 3903.44. Upon consideration of the Liquidator's Motion, Memorandum in Support and attached exhibits, the Court finds the Motion is well taken and it is hereby ORDERED, ADJUDGED and DECREED as follows:

It is hereby ORDERED that the attached Liquidator's Final Report of Claims, including the determination of the amounts and the classes of each claim as set forth therein, is APPROVED;

It is further ORDERED that the Liquidator is hereby authorized to reserve Ninety-Eight Thousand One Hundred Seventy Dollars ($98,170.00) for the payment of certain administrative expenses related to finally closing the HealthFirst estate that the Liquidator has incurred but not yet paid or anticipates will necessarily be incurred in this regard;

It is further ORDERED, that after setting aside the reserve for the payment of administrative expenses, that the Liquidator proceed to distribute the remaining assets of HealthFirst, in the total amount of Eight Million Five Hundred One Thousand Nine Hundred Eighty-Three Dollars and Ten Cents ($8,501,983.10) to the remaining classes of claimants listed on the Final Report of Claims and in the respective amounts as set forth on Exhibit A, and corresponding Exhibits A-4 and A-5;

It is further ORDERED that subject to the distribution hereby approved, any and all claims against HealthFirst or the Liquidator, including any contingent or future claim or claims, and including any and all claims of the federal government not otherwise included in the Final Report of Claims attached hereto as Exhibit A, are hereby ordered foreclosed and disallowed.

Final Report of Claims, Final Distribution to Creditors of HealthOhio, Inc. d/b/a HealthFirst

As of the date of the filing of the Liquidator's Motion for Approval of the Liquidator's Report of Claims, Final Distribution to Creditors and Related Actions of HealthOhio, Inc., d/b/a HealthFirst ("HealthFirst"), there remains $8,594,800.26 available for distribution, plus the Liquidator has estimated that there will be additional interest earned on account of $5,352.84, so that there should be a total of $8,600,153.10 available for distribution to creditors of the HealthFirst estate pursuant to the priority of claims distribution classes set forth in Ohio Revised Code Section 3903.42, which funds are to be distributed as follows:

1) Class 1 Claims: The Liquidator has requested the reservation of the amount of $98,170.00 for payment of additional anticipated Class 1 administrative expenses that are detailed on Exhibit B, after which there remains the sum of $8,501,983.10 that should be available for distribution to the remaining classes of claims. (Any increase or decrease in the amount of estimated interest on account referenced above would accordingly increase or decrease the amount of the administrative expense reserve.)

2) Class 2 Claims: The Liquidator previously made a 100% distribution to all Class 2 claimants totaling $180,096.52, pursuant to the Entry Approving Partial Distribution of HealthOhio, Inc. d/b/a HealthFirst, dated December 23, 2002. All Class 2 distribution checks were delivered, endorsed and paid. Accordingly, because the claims of all Class 2 claimants have been previously determined, allowed and paid, there are no

further distributions to be made to the members of this class, and the amount available for distribution to the remaining classes of claims remains at $8,501,983.10.

3) Class 3 Claims: There are no Class 3 claims as the federal government has filed no claims against the HealthFirst estate. The Liquidator has included, in her estimate for the reserve for administrative expenses, amounts to pay the HealthFirst employer's share of the Form 941 FICA (social security and medicaid) and Form 940 FUTA (federal unemployment) tax liabilities, relating to the payment of the employee wage and salary claims identified in Classes 4 and 5 in Exhibits A-4 and A-5 respectively. In addition, the Liquidator is withholding amounts from the distributions to employee wage and salary claims of Classes 4 and 5 for income tax withholding and for the respective employees' share of FICA taxes, as reflected on the attached Exhibits A-4 and A-5 respectively. Accordingly, as the employer's share of these federal employment taxes are reflected in the administrative reserve calculation, and the employees' share of employment taxes on wage and salary claims are reflected in the Class 4 and 5 reports, there still remains the sum of $8,501,983.10 available for the distribution to the remaining classes of claims.

4) Class 4 Claims: There are sufficient funds to pay 100% of the Class 4 employee priority (up to $1,000.00) service claims, which as reflected in Exhibit A-4, attached hereto, total $18,150.60 (including those claims that are determined to be zero). These claims consist of thirty (30) employee wage and salary and expense reimbursement claims. Exhibit A-4 reflects the portion of said claims to be withheld and to be paid over to the Internal Revenue Service for federal income taxes and for the employees' share of FICA to the Internal Revenue Service, and the net distribution, after such withholdings,

to be paid to such Class 4 claimants. After the distribution on these Class 4 claims, there remains the sum of $8,483,832.50 available for the distribution to the remaining classes of claims.

5) Class 5 Claims: There are 685 Class 5 claims that total $9,426,203.51 (including those claims that are determined to be zero). Considering the $8,483,832.50 available for distribution, there will be a 90.0026452 % distribution towards the Class 5 claims, which distribution amounts have been calculated and are as set forth on Exhibit A-5, attached hereto. These Class 5 claims include some sixty-one (61) employee wage and salary claims (as well as two (2) expense reimbursement claims), and Exhibit A-5 reflects the portion of said wage and salary claims to be withheld and to be paid over to the Internal Revenue Service for federal income taxes and for the respective employees' share of FICA to the Internal Revenue Service, and the net distribution, after such withholdings, to be paid to such Class 5 employee claimants. After payment of the entire amount of $8,483,832.50 towards these Class 5 claims, there are no further funds to be distributed.

6) The only remaining claims against the HealthFirst estate as determined by the Liquidator are twenty-four (24) Class 7 late claims totaling $18,964.93, which are set forth on Exhibit A-7 attached hereto, and six (6) disallowed claims (where no class could be determined) which are set forth on Exhibit A-8 attached hereto. There are no funds available after payment of Class 5 claims to make any distribution towards the allowed Class 7 claims.
