## MEMORANDUM IN SUPPORT

This Court entered its Final Order of Liquidation and Appointment of Liquidator against American Chambers Life Insurance Company (“ACLIC”) on May 8, 2000. Under Ohio Revised Code Section 3903.34(A), the Liquidator was required to make application to the Court within 120 days of the final determination of the insolvency of ACLIC for approval of a proposal to distribute assets to guaranty associations which have obligations as a result of the ACLIC insolvency (the “Early Access Plan”). There are thirty-eight (38)<sup>1</sup> such guaranty associations which have obligations in this case, as listed on the attached Exhibit A (the “Guaranty Associations”). The payment to be made to the Guaranty Associations pursuant to the Early Access Plan required by R.C. 3903.43(A) is called the “Early Access Payment.”

On August 27, 2001, the Liquidator filed an Amended Application for Approval of the Plan for Disbursement of ACLIC’s Assets to Guaranty Associations pursuant to R.C. Section 3903.34 (the “Application”), along with the proposed Plan for Disbursement of ACLIC Assets to Guaranty Associations pursuant to R.C. Section 3903.34 (the “Plan”). Attached to that Plan was a proposed agreement between the Liquidator and the Guaranty Associations (the “Agreement”), as provided in R.C. 3903.34(B)(4). On September 4, 2001, this Court entered its Order approving the Liquidator’s Amended Application for Approval of the Plan for Disbursement of ACLIC’s Assets to Guaranty Associations Pursuant to R.C. 3903.34 (the “Order”). The Order also provided that payments would only be made to the Guaranty Associations who executed and returned the Agreement to the Liquidator.

---

<sup>1</sup> The 38 Guaranty Associations are located in the states of Alabama, Alaska, Arkansas, Arizona, California, Colorado, Delaware, Florida, Iowa, Idaho, Illinois, Indiana, Kansas, Kentucky, Louisiana, Massachusetts, Maryland, Michigan, Missouri, Mississippi, Montana, North Dakota, Nebraska, New Mexico, Nevada, Ohio, Oklahoma, Oregon, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, Wisconsin, West Virginia, and Wyoming.

Pursuant to R.C. 3903.34, the Plan and the Order, the Guaranty Associations executed and returned the Agreements to the Liquidator. The Guaranty Associations have also executed and sent to the Liquidator a Consent to Early Access Distribution authorizing the Liquidator to pay any early access distribution to which the Guaranty Associations are entitled to the National Organization of Life and Health Insurance Guaranty Associations (“NOLHGA”) in a lump sum, with the understanding that NOLHGA will then distribute the appropriate amount to the Guaranty Association (the “Guaranty Associations’ Consent”). The Guaranty Associations’ Consents are attached hereto as Exhibit B. The Guaranty Associations are all members of the NOLHGA, which is acting as intermediary in this matter on behalf of the Guaranty Associations and as such filed one omnibus proof of claim on behalf of all of the Guaranty Associations. This arrangement conserves ACLIC’s liquidation estate’s assets by reducing the administrative expenses in determining multiple proofs of claims and making distributions to Class 1 and 2 claimants.

**I. First Pro-Rata Payment of Guaranty Associations’ Class 1 Administrative Expense Claims**

With this Court’s November 13, 2009 approval, the Liquidator made the first pro-rata payment on the Guaranty Associations’ Class 1 administrative expenses in the amount of \$12,822,841.00 to NOLHGA on December 7, 2009.

**II. Liquidator’s Determination of Guaranty Associations’ Claims in ACLIC**

On September 2, 2010, the Liquidator filed a Report on Status of Liquidation. At that time, the only undetermined proof of claim in the case was the omnibus proof of claim filed by NOLGHA on behalf of the 38 Guaranty Associations paying covered policyholder claims. Since then, the Liquidator completed the review, reconciliation and adjudication of this proof of claim, which includes the Guaranty Associations’ Class 1 administrative expense claims and Class 2

policyholder level claims. On April 19, 2011, the Liquidator issued a Determination Letter to NOLHGA pursuant to the Guaranty Associations' Consent valuing NOLGHA's remaining Class 1 administrative expense claim at \$696,262.18 and valuing the remaining Class 2 policyholder level claims of all participating IGAs, after applicable offsets, at \$43,821,291.50. NOLHGA waived the sixty (60) day period during which NOLHGA may object to the Liquidator's determination and accepted the Liquidator's determination of its claim.

**III. Second Early Access Payment to Guaranty Associations**

a. Second Pro-Rata Payment of Guaranty Associations' Class 1 Administrative Expense Claims

During the Liquidator's reconciliation of the Guaranty Associations' Class 1 administrative expense claims, the Liquidator determined that an additional \$696,262.18 is due NOLGHA on its Class 1 administrative expense claim. The Liquidator is asking for approval to make a second pro-rata payment on NOLGHA's Class 1 administrative expense claims in the amount of \$696,262.18 as reflected on attached Exhibit A. This will pay the Class 1 administrative expense claims of the Guaranty Associations in full.

b. Pro-Rata Payment of Guaranty Associations' Class 2 Policyholder Level Claims

The Liquidator has calculated the amount that she can pay at this time as the second Early Access Payment of NOLGHA's allowed Class 2 policyholder level claims. Attached hereto as Exhibit A is the *Liquidator's Second Report of Guaranty Associations' Class 1 Administrative Expense Claims and Class 2 Policyholder Level Claims and Second Early Access Payment to Guaranty Associations*. It provides for a pro-rata distribution of 20.72% on the allowed Class 2 claims of the Guaranty Associations, through the Liquidator's total cash payment of \$9,800,092.78, which includes the \$696,262.18 Class 1 claim, credits due ACLIC and special

deposit offsets, to be disbursed through NOLHGA pursuant to the Guaranty Associations' Consent.

There are sufficient assets available to make this Early Access payment and at the same time retain sufficient moneys to satisfy projected Class 1 obligations and pay a pro-rata percentage of remaining allowed Class 2 liabilities.

**IV. First Interim Distribution to Non-IGA Class 2 Claimants**

The Liquidation Statutes do not require that the Liquidator make early distributions to any creditors other than the Guaranty Associations. Early Access Payments to Guaranty Associations are statutorily required to ensure that the Guaranty Associations can pay covered policyholder claims sooner and so that policyholders do not have to "stand in line" with other creditors in a liquidation case. Notwithstanding this, the Liquidator has discretion to determine if and when it is appropriate under the circumstances affecting any particular liquidation to request authority pursuant to R.C. 3903.44 to make an early Interim Distribution to claimants whose claims are not IGA Covered Claims.

In this case, the Liquidator is well along in the process of asset recovery and has completed her review, classification, adjudication and determination of proofs of claims submitted against the ACLIC liquidation estate. The Liquidator's review of claims has identified only 10 Class 2 claimants whose claims are not covered or paid by IGAs. The Liquidator recommends that these claims be allowed. Therefore, the Liquidator requests that, pursuant to R.C. 3903.43(B), this Court approve the *Liquidator's First Report of Non-Guaranty Association Class 2 Policyholder Level Claims* attached hereto as Exhibit C, including the class and value of each claim set forth therein. This Report includes all known potential Class 2 Claims, except the above-referenced claim of NOLGHA on behalf of the IGAs.

R.C. 3903.44 authorizes the Liquidator, under the direction of the Court, to make distributions to claimants, provided that these distributions are made in a manner that assures the proper recognition of priorities and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims. The Liquidator has determined that it is now appropriate under the facts and circumstances affecting the ACLIC liquidation case to make an immediate pro-rata Interim Distribution of estate assets to these 10 Class 2 claimants equal to 20.72% of the amount of their allowed claims.

**V. Conclusion**

Therefore, for the reasons outlined above, the Liquidator respectfully requests that this Court approve the Liquidator's second pro-rata distribution to NOLGHA on its allowed omnibus Class 1 administrative expense claims and allowed omnibus Class 2 policyholder level claims on behalf of the Guaranty Associations as reflected in the *Liquidator's Second Report of Guaranty Associations' Class 1 Administrative Expense Claims and Class 2 Policyholder Level Claims and Second Early Access Payment to Guaranty Associations*, attached hereto as Exhibit A, and approve the payment to NOLHGA of the total amount of \$9,800,092.78, as set forth in Exhibit A. The Liquidator further respectfully requests that this Court approve the Liquidator's first pro-rata interim distribution to Class 2 claimants with allowed claims that are not covered by the Guaranty Associations in the total amount of \$1,879.13, as reflected in *Liquidator's First Report of Non-Guaranty Association Class 2 Policyholder Level Claims*, attached hereto as Exhibit C.
