The Office of Risk Assessment has posted 2020 filing forms and information on the Ohio Department of Insurance (ODI) website. As indicated in the filings *Checklists*, some forms must be obtained from outside sources or provided by the company. All state-supplied forms, other than tax forms, can be viewed and printed using Adobe Acrobat Reader version 8.0 or higher. Alternatively these forms can be filled in and printed using Microsoft Word.

*For annual as well as quarterly and interim filings, we encourage you to follow the guidance contained in the filings Checklists on our website at [www.insurance.ohio.gov](http://www.insurance.ohio.gov). To view your *Checklist*, simply go to our website and click on ODI Services, Risk Assessment, Annual Filing Requirements, and then on the appropriate company type (P&C, L&H, etc.). Clicking on a form within a *Checklist* will take you directly to the selected form or, in the case of tax forms, to our secured logon. Alternatively, you can access forms, other than tax forms, directly by clicking on using the menu at the bottom of our web page and searching by form number.*

*Except for Tax Summary forms INS7214 and INS7215 and tax payments (see “Payment of Tax Return Balances Due” below), send all required hardcopy filings (may be submitted electronically due to COVID-19 submit via email to [risk.assessment@insurance.ohio.gov](mailto:risk.assessment@insurance.ohio.gov)) listed on your *Checklist* to:*

**DO NOT SEND HARDCOPY TAX RETURNS TO ODI OR THE TREASURER OF STATE**

**FILING TAX RETURNS**

**Hardcopy tax returns are no longer accepted for current year taxes. DO NOT FILE HARDCOPY TAX RETURNS.**

**Tax forms must be accessed and filed online by the statutory due date.**

The Ohio Department of Insurance's (ODI) online premium tax filing application is using the more secure and efficient ODI Gateway to process user accounts and manage access.

Appropriate company representatives who do not have an ODI Gateway account will need to create one and current users have to make a slight account adjustment. To assist you through the transition the user guide is available at: <https://gateway.insurance.ohio.gov>

Only a personalized single confidential user ID is required to access multiple companies assigned to you. Further, companies are capable of having multiple users assigned to a single company eliminating sharing of confidential user information.

The ODI Gateway is the only way to access the upcoming year-end tax filing. If you have questions or need assistance regarding this change please email [taxes@insurance.ohio.gov](mailto:taxes@insurance.ohio.gov) or call 614-728-1076.

Regarding access authorization, initially we will approve only the current user or contact person of record within the active database. Any additional users – or if users are unable to reset their passwords – will have to be approved following current established procedures. Lastly, it is critical that we are notified when a name needs removed to prevent unauthorized access to your company accounts. Without this notification unauthorized people will be able to access your tax returns.

Then scroll down the page and select “**Premium Tax Application**” to file premium taxes or to view and print October advance payment invoices. *See “Instructions for Filing Tax Returns Online”, which is the third bullet point on the webpage containing the “Checklist”.*

**New Companies**

If this is the first year for your company to file an Ohio premium tax return, your tax preparer will need to go to <https://gateway.insurance.ohio.gov> and create their own personal user account. Once their account is confirmed they will then need to create their personal password, sign into the Gateway, select the Premium Tax Application and maneuver to the tax forms screen and “Request New Affiliations for their ID. Once the user establishes their account, please refer to **the Q&A within the Premium Tax Application.**

**IMPORTANT NOTICE**

**Do not wait until the last minute to test your ability to logon to our premium tax system.**

**Do not use “EPAY” for premium tax processing or the payment of premium taxes.**

**Be sure to update your secured logon with your current user information, including you email address, or you may not be able to access your challenge questions in the event you forget your password in the future.**

**Attachments**

Required documentation must be attached to your tax return electronically using the “Attachment” button on the last page of the return. Do NOT submit state pages, Schedule T, Ohio Life and Health Guarantee Certificates or copies of the Ohio tax return. For foreign insurers, it is NOT necessary to attach a copy of your home state tax return unless it is needed to justify a specific deduction taken on the Ohio return. Most electronic format types are acceptable.

**Estimated Taxes-Authorized Insurers**

Ohio does **NOT** require authorized insurance companies to make **quarterly** estimates of premium, franchise or fire marshal taxes. However, all foreign insurance companies that filed an Ohio premium tax return and any domestic insurers that filed a fire marshal tax return for the previous year must submit an advance payment via ACH Debit or Credit along with a copy of the advance payment invoice to the Treasurer of State by October 15<sup>th</sup> of each year. Invoices for advance payments are automatically calculated and are available through the Ohio Gateway in September. To print the advance payment invoice, go to <https://gateway.insurance.ohio.gov> and use your User ID and Password in order to access companies assigned directly to you. Once inside the premium tax database, go to the Tax Forms Index page and select "Ohio Treasurer October Advance Payment Invoice". Ohio does not require any other estimated payments.

**You must return a copy of your invoice with your payment to the Treasurer of State or your check will be returned. Do not send your check or a copy of your invoice to the Department of Insurance.** Penalties and interest may be assessed for late payments.
